

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement ever since the year 1959. Whether the job requires transferring loads, positioning heavy steel or landing loads on scaffoldings, utilizing a Lull telehandler would help make the work go easier and faster. These units are available along with the patented Stabil-Trak stability system so as to ensure operator confidence.

The horizontal placement system by Lull can supply eighty inches of boom travel for precision placement functionality. There are likewise various optional Lull attachments for their telehandlers in order to help do any job.
