

## **Nissan Forklift Part**

Nissan Forklift Parts - Nissan prides itself on reaching total client fulfillment when their customer is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with strong processing principals, Nissan Forklifts provide a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide forklift demands. Dedicated to offering customer support, the company has four independent manufacturing facilities that permit them to persistently adapt to their customers continually evolving wishes by offering a range of modern ideas and designs.

The Nissan Forklift North and South American base is situated in Marengo, Illinois. A dedicated team of 350 personnel is committed to the collaboration, design and manufacture of their goods. Operating under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to preserve environmental responsibility by utilizing techniques that reduce the worldwide effect of their goods and processes. These high standards remind customers that Nissan operates under the quality seal that their customers insist upon whilst being an environmentally aware organization.

Nissan is assured that they will be able to address any client queries or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally endorsed dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
