

## Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always provides fresh design concepts as shown in their product development. They like offering products which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK enjoys handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs combined with their comprehension of cleaning applications, along with owners' strong desire to significantly lower cost through productivity gains.

When required, the employees within TREK and its many dealer members in both parts and in technical support would be available. Among their core values is their high service devotion in their customer service. Keeping their customers' cleaning equipment ready and running day by day is top priority. The company's top of the line technology delivers reliable equipment that ultimately lowers your cleaning expense. The price, the service and the product all work as one to be able to make them an industry leader.
